Dear Prospective Parent/Guardian,

School of Science and Technology is now accepting applications for the 2012-2013 academic school year. SST schools are college preparatory charter schools with an emphasis on Science, Mathematics, and Computer Technologies. There are currently 4 campuses across the state of Texas. SST Schools have received various Gold Performance Achievement Awards. The achievements of the SST Schools have been acknowledged by many community members. Not only are we known for our award achievements, we are also known for providing an excellent education within a nurturing environment. SST Schools offer an advanced and challenging curriculum as well as opportunities for our students to participate in numerous extracurricular activities. We also offer an extensive after school program which offers free tutorial services and an abundant of academic and social clubs.

Parents interested in SST Schools may review the attached information and submit an application by mail, fax or online at School of Science and Technology.

As enrollment season started, we also would like to share a couple of reminders with you.

- 1 - The application period for SST Schools is between January 10 and March 15, 2012 for the 2012-2013 school year.
- 2 - All applications prior to January 10, 2012 will be considered for the 2011-2012 school year.
- 3 - Any application received after March 15, 2012 will be placed on the waiting list in the order of the date in which the application is received.
- 4 - The Lottery will be drawn during the last week of March 2012.
- 5 - Selected students will be announced by the end of the 1st week of April 2012.

Please note that any application received is only considered for one school year. If your child is not selected for enrollment, a new application must be submitted for each year.

Enclosed you will find;

- An Information Brochure
- An Application Form
- Frequently Asked Questions

If you want to know more about our schools and educational programs, you may attend one of our open house sessions. Presentations will cover information regarding SST Schools. For more information, please visit: www.sstcc.org.

Sincerely,
